Mr. Erlanson,

I am attaching to this email the Environmental Appeal Board's Order Dismissing Appeal, dated March 5, 2021, which ordered you to pay the full amount of the civil penalty assessed by the Administrative Law Judge, \$6,600, within thirty days of receipt of the Order. Your payment was due April 5, 2021. EPA has no record showing that you have submitted payment, and interest is currently accruing on the unpaid penalty. Tomorrow you should receive a Notice of Delinquency from an accountant in the U.S. Environmental Protection Agency, Cincinnati Finance Office. It will identify the total you owe, including the civil penalty plus interest. It will also include instructions for submitting payment.

I encourage you to submit payment as soon as possible to avoid additional interest payments. If you would like to discuss the matter, please feel free to email or call me. My contact information is below.

Thank you,

J. Matthew Moore
